**The Jazz Institute of Chicago invites you to apply for its 2017 – 2018 school year, Jazz Links Jazz Masters Residency/Professional Staff Development Program.** The program brings some of Chicago's most sought after Jazz Masters into Chicago Public School classrooms for eight sessions. The Residency program also provides a Professional Staff Development Training component for the Music Instructor. Not only will the Program be a resource for the music student, but a very valuable asset for the Classroom Instructor, as well.

**This year's program will also include free bus transportation to the program's field trip opportunity to see the Residency Artists live in concert at the University of Chicago's Reva and David Logan Center for the Arts.**

The value of this Artist Residency is estimated at over \$ 5,000 per school, however, due to the generosity of our supporters - we are able to provide the Jazz Institute of Chicago Jazz Links Jazz Masters Residency Program to selected Chicago Public Schools for FREE!

The following Residency Programs are available for the 2017 - 2018 school year:

- Jazz Band Intensive
